Social Media Content Creator | Video Producer

Alexandria, Egypt | elsawykhaleed662@gmail.com
[linkedin.com/in/khaled-elsawy-695463a2](https://www.linkedin.com/in/khaled-elsawy-695463a2)

PROFILE

Social Media Content Creator and Video Producer with 6+ years' experience taking content from idea to audience. Built AlexFisher, a personal media brand with 600K+ followers and millions of organic video views, and created social content for brands including Costa Coffee and TOC Publishing UK. Skilled in short-form video (Instagram Reels, TikTok, YouTube Shorts), social media management, community engagement and performance analytics. MBA in Digital Marketing; uses AI-assisted production and workflow tools to speed up content delivery.

PROFESSIONAL EXPERIENCE

Founder, Video Producer & Social Media Creator

Mar 2020 – Present

AlexFisher · Creator Brand · [alexfisherofficial.com](https://www.alexfisherofficial.com)

- Built and managed a 600K+ cross-platform audience across YouTube, Facebook and Instagram, producing original marine, fishing and lifestyle content.
- Own the full video lifecycle: research, concept, scripting, filming, editing, sound design, thumbnails, SEO, publishing and post-performance optimisation.
- Produced videos and social content reaching millions of views, using audience data, retention and engagement signals to improve future content.

AI Video Producer, Content & Social Media

Jan 2025 – Present

TOC Publishing UK · United Kingdom

- Produce the *Bisi and Friends* children's story series as social videos and AI Story videos, from script through AI-assisted production, character consistency, lip-sync, editing and final delivery.
- Adapt creative assets for Instagram, TikTok and YouTube while supporting content planning, outreach and publishing.

Social Media Content Creator

Oct 2025 – May 2026

Costa Coffee · South West London, UK

- Created Instagram video, photography and branded social assets focused on stronger engagement, visual consistency and local audience relevance.
- Planned, shot and edited social content while monitoring performance and refining creative direction.

Video Producer & AI Content Creator

Mar 2023 – Present

Freelance · Remote

- Create short- and long-form branded video using Adobe Creative Cloud and generative AI, combining traditional production with faster AI-assisted ideation and versioning.
